

Start and improve your clinical research journey with flexible and accessible GCP and clinical research courses, facilitated by a Clinical Research Expert Consultant with extensive and long-standing experience in the clinical trial industry.

Research Ready Training provides accredited GCP and Clinical Research Training to the clinical research industry in South Africa and internationally. The company is a spin-off from Ardent Consulting, which used to conduct GCP training and other research training courses since 2016 by Dr Aspinall, a Clinical Research Expert Consultant.

Research Ready Training courses are accredited by the Health Professions Council in South Africa (HPCSA). GCP courses include ICH GCP E6 (R3), SA GCP 2020 and NDOH Ethics in Health Research 2024 guidelines relevant for South Africa clinical research industry.

Courses

The following courses are based and grounded in more than 30 years of clinical research experience, including 10 years as an active training provider for the industry. The courses are packed with relevant, practical and useful content.
